

**MARCH
2010
UPDATE**

Boots

A number of people have asked why they have not heard from us since the last update in November 2009, so we felt the need to send out a progress report on what we have been up to.

First off, thank you for your concern and your ongoing prayer support, we really appreciate it.

We returned to Perth on December 10, 2009 and went straight into the busy period of family life and Christmas!

Throw in a wedding, a baby dedication, a birthday, a family photo shoot and the various Christmas celebrations and you come up with two very tired people!

We then spent the month of January resting and doing the rounds of doctors' appointments and medical check-ups – all those things that we had no time to do because we are away from home for nine months out of twelve last year.

Since we've been back, we have had the privilege and the pleasure of visiting some of our Foursquare Churches in WA.

Thank you to 5ONE4, Highway Church, Katanning Foursquare Church, Calvary Church Bunbury, GPDI Cannington and Whitehouse Community Church for making us feel welcome and taking the time to hear about what God has been doing overseas.

Hot off the press, our schedule for 2010...

- In early April, we are off on a 7,000km adventure on our Harley Davidson, a therapeutic trip for us!

We are riding to Melbourne on our own, which gives us a chance to take our time.

Then, during the first term holidays, Micah will do a quick (1,000km a day) trip across to join us in Melbourne and we will ride back to Perth together.

- From late April to the middle of July we will be based in Malaysia, ministering around various places in South East Asia.

During that period there will be two teams from our home church, 5ONE4, visiting us in Malaysia. We are looking forward to that very much.

- Then, we are home from late July to 20 September.

In the first part of August, we will be teaching a two week Pastors and Leaders intensive in Honiara, Solomon Islands.

- And then to close out the year, we will be back in South East Asia from late September to very early December.

Thank you for your faithful prayer support. We hope you will put these dates in your diaries so you can be praying with us through this year.
