Psalm 111:1-3 goes something like this.....

I will thank the Lord with all my heart as I meet with His Godly people.

How amazing are the deeds of the Lord! All who delight in Him should ponder them.

Everything He does reveals His glory and majesty. His righteousness never fails!

Greetings! We were in Singapore from 23 September to 19 October. We then flew to Cebu Island for the ECFC Conference. Our time in Singapore was awesome in every sense of the word! The accommodation was excellent and very generously provided by a couple who are currently studying in Brisbane! God is indeed very good to us.

It has been a busy time and very varied...

1. An Intercessors Retreat
2. A Church Staff Retreat
3. Women's Ministry
4. An assortment of Church Services
5. Lots of one-on-one time with a variety of people
6. Special times of counselling and praying with a number of different people
7. Our third time in three years back to Singa-

pore and we feel we have developed some special friendship with Pastors and Leaders from various Churches here. We have invitations from a number of Churches to come back again.

Singapore is indeed a very special Island with a very different perspective to living. The people are confident and peaceful and it is safe to travel on buses and trains even late at night. There is a calmness and assurance in the various races and their future is secure on this amazing island.

May God bless this country as the Churches on this island join together each year to pray for their country, leaders and future. A unique but exciting place to be in the Lord!

ECFC 2010 in the Philippines was the best run conference we have seen. It was well organised and well thought through. We felt we connected with a number of fellow labourers and received a number of new invitations that we have placed on the board and are praying about now.

We will include photos from ECFC in our next report to you.

We are now in Ipoh for 2 weeks. Next Monday, 8 November, we fly to Ho Chi Minh City, Vietnam to teach a four day intensive class (32 hours of teaching) at the Vietnam Foursquare Bible College on "Christian Counselling".

Please be praying with us as we go into this next phase of this mission.

We have been in bed with the flu last week but managed to keep all our commitments in between.

Today we feel like we will live again and it's time to get everything in order.....lots to do!

1. Pray for God's people in Singapore, Malaysia, Vietnam, Thailand, Solomon Islands, Indonesia and Australia.
2. Continue to uphold us in prayer as we finish this three months and return home on 13 December.
3. Pray that in these times of trouble right across the world, the people that know our God would shine bright and draw many to the light of the world.
4. Pray for unity among the brethren wherever we are, life is short but eternity is forever so let's work towards it with our arms linked and our faces fixed like flint, looking to Jesus!

These prayer requests should keep us all busy until the next time!

Please remember always – God is in control and He is faithful despite all circumstances!

Saw this a while ago – thought you might like it!

A SHORT HISTORY OF MEDICINE

“Doctor, I have an ear ache”

2000BC – “Here, eat this root”

1000AD – “That root is heathen, say this prayer”

1850AD – “ That prayer is superstition, drink this potion”

1940AD - “that potion is snake oil, swallow this pill”

1985AD – “that pill is ineffective take this antibiotic”

2000AD – “that antibiotic is artificial, eat this root”

Therefore, let us remember, when all else fails –

Jesus Christ is the same, yesterday, today and forever and for that we can rest in His peace all the days of our lives on this earth.

Ah, singapore...

'Justice will rule in the wilderness and righteousness in the fertile field.
And this righteousness will bring peace.
Yes, it will bring quietness and confidence forever.
My people will live in safety, quietly at home.
They will be at rest.
Even if the forest should be destroyed and the city torn down,
The Lord will greatly bless His people.
Wherever they plant seed, bountiful crops will spring up.
Their cattle and donkeys will graze freely' Isaiah 32: 16 -20 (NLT)

May God bless you all at this time!

Love,

Don and Angelina Boots
