

Good friends, gourmet food and great haircuts

Hello folks! It is just so good to be home in Perth again. Arrived back on August 5th and Oh! What joy to snuggle up under a doona and sleep all night without being disturbed by the heat! Home sweet home! We will be here until 22nd September.

We spent the month of July based in Ipoh again, living at **20 Persiaran Perajurit 8, Ipoh Gardens East, 31400, Ipoh, Perak, Malaysia**. We will return to the same place from **22nd September until 9th December**, so remember to keep those letters and cards of encouragement coming our way then!

July was a very interesting and fruitful time with Foursquare Malaysia. July 12th was their Missions Sunday and we got to be a part of their services and

were able to share the exciting things we have seen God do in many different places. Don got to preach at one of the Chinese speaking congregations that day.

The following two weekends were very full and extremely different. We were in Sandakan, Sabah (East Malaysia) with Ps Carlo & his wife, Glenn, and their two children on 18/19 July.

We stayed with the family and Angelina was thrilled as the house reminded her of her grandparents home in Ipoh where she lived for the first four years of her life! "Life Impacting Church", Sandakan is a vibrant, rejoicing group of people, a mixture of Phillipinos and Sabahans. We spoke at their Saturday evening and Sunday morning meetings and spent a lot of time with the people.

We received this statement from Ps Carlos in an email as we were leaving Malaysia last week: **"You know when you prayed for one of the ladies who needed to sit down in a chair (the first timer)? She was unable to walk properly before prayer, but after that day she was much, much better and able to walk! Praise the Lord for that healing."** God is truly awesome all the time!

We then went back to Ipoh to attend an Intensive Bible College Course on The Prophetic taught by Ps David Lee from Destiny International, Foursquare Singapore. We were truly blessed by all we gleaned from this man of God.

Then it was time again to travel, and this time to Kota Kinabalu, again in Sabah (East Malaysia).

We were there from 25th to 27th July. We worked with Ps Ezra (what a great name!) who has a Campus Ministry called "Emmanuel". The group of young adults this ministry reaches very effectively are all studying at the University of Malaya, Sabah Campus. Here again we spoke at a Saturday night and a Sunday morning meeting and saw the Holy Spirit touch many in a very profound way despite ourselves!

"Don and Angelina, Thank you for your life impartation. Please keep in touch and come again" – a message we received on our mobile after we were back in Ipoh again. We were able to connect one of the graduates returning to Kuala Lumpur with a new Church being planted by Ps. Henry Liew there. Ps Ezra's slogan for the church is **"REACH OUT! TRAIN UP!"** but we realise that he does one other thing – **SEND BACK!** – He reaches out to these students and trains them up, but the majority then graduate from the University and return to their home towns and that is why we believe that he sends back very effectively!

Our last weekend in Malaysia was a marathon indeed! On Saturday, 1st August (our son,

Micah's birthday!) we travelled from Ipoh to KL to support the Liew family as Foursquare Malaysia planted their latest Foursquare Church – **Victory International Fellowship** in Petaling Jaya (the satellite town of Kuala Lumpur where Angelina spent her teenage years). We left Ipoh at 10 am and returned at 2am the following morning and then had 3 services to attend and to preach at two of them – Tamil services, one in Ipoh and the other in a small town called Sungei Siput! What a day! Yet again, God was faithful and did some mighty things amongst the people.

We then spent a day in the house in Ipoh packing and getting ready to come home. Took a bus down to KLIA (Kuala Lumpur International Airport) Tuesday, stayed overnight at a hotel next to the Airport, and flew home to Perth on Wednesday morning. And this is where we'll be for the next 48 days.

Prayer Points:

- Our next Trimester of Bible College teaching – "Gifts, Giftings and Gifted Ones". Teaching Pastors & Leaders from 28th September to 7th December at Shekinah Bible College, Ipoh. The aim is to get people to know their

gifts, learn how to work in their gifts and then go back to their churches and use their gifts effectively.

- Foursquare Vietnam where we will be teaching an intensive Bible College Course from 1st to 6th November. The course will be "Spiritual Leadership". The students will be coming from all over Vietnam to Ho Chi Minh City for this course. Four days of teaching, eight hours a day!
- All the Foursquare Churches that we will be visiting around Malaysia most weekends during the period we are there. We will move around and help Pastors, Leaders and Congregations wherever they need it. The Itinerary is in the process of being put together by Wai Leng, the Executive Secretary for Foursquare Malaysia.
- **2010** and what God may want to do through us in South East Asia and the South Pacific.

Thank you once again for your prayer support and love.

God bless you all.
