

# October 2008 Report – D & A Boots

The definition of the word – “Miracle” is ‘Something to be wondered at’!

How many times a day do you experience something to be wondered at and yet miss the way God is working “miracles” in our lives continually!

**In verse 1 of Jeremiah 31 this is what the Lord says; “Those who survive the coming destruction will find blessings even in the barren land, for I will give rest to the People of Israel”. In the middle of our vast Country, this country we call home, the land is definitely barren and yet God promises us His blessings in this place.....at this time!**

Yet another month is powering by and soon 2008 will be history in our lives. The Foursquare Convention is past and ECFC is gone for another two years. We are blessed to have an extended time at home with our family at this time. Life never ceases to amaze us. Don, Angie, Micah and Ezra completed a 3,351km motorcycle ride across Australia from Warrnambool, Victoria to Perth, WA. We did it in 5 days and 4 nights, from 5<sup>th</sup> to 9<sup>th</sup> October, a trip that will not be forgotten for the rest of our lives!

We are in the process of organising our itinerary for 2009 and it promises to be challenging but very fulfilling. When we have it organised, we will send you a copy so you can be praying with us as we prepare ourselves, the teaching material that we will require and the preaching material that is ever so necessary wherever we go. We have also in the interim, worked at the Neerigen Brook Polling Booth on 6<sup>th</sup> September, WA State Elections. In

November we will be Supervisors at Kelmscott Senior High School for the TEE (Year 12) examinations. So all in all, life is still hectic and God is so very good!

From 17 to 21 November, we will be hosting our very first visitors from Shekinah Community Centre, Ipoh, Malaysia. Lourdes and Lena MacKay are coming to Perth to celebrate their 25<sup>th</sup> wedding anniversary, and as they put it, to have their very first experience of a 'Western Country' .....

We would appreciate your continued prayer support for us and **the South East Asian Foursquare Churches**. Our intention is to leave a deposit of God wherever we go and leave behind a group of people ready to go on to teach and train more people and the future generation.

**2 Timothy 2: 2** is our aim, Lord willing.

It will be an exciting time in 2009 as the **Vietnam Foursquare** Bible College graduate the current group of Pastors and Leaders. We have had the privilege of teaching three classes with this group. Please pray for fruitfulness as they go on to lead many to preservation from destruction. Pray for Bro Barnabas as he continues to train up future leaders and pastors.

**Malaysia Foursquare** will be expanding their training bases by adding a Training Centre in Kuala Lumpur early 2009. Their Church Planting is escalating so fast they need extra help to teach and train Pastors and leaders. This time there will be connections to make with East Malaysia (Sabah) as well. Keep Ps Henry and Jenny Liew in your prayers.

In **Singapore** we have been invited to speak at a large family camp from 15 to 18 June, 2008 and are hoping to forge greater ties while there in the month of June. Please be praying for Ps Eddie Yeo and Ps Caleb How as they pastor small Churches and need encouragement. We are hoping to reconnect with Ps Simon Lee (**Hadyai, South Thailand**) sometime in the year, as he has up-and-coming Leaders and Pastors that need training.

Back home here in WA, we will be available for **5ONE4** as Aaron and his wife, Alison take a well earned rest from 15 to 25 October. We minister at Ps

Janny's Church on 26<sup>th</sup> October. Once again, if we can help you in any way, while we are in Perth for the rest of the year, please contact us.

In closing, as we together work in His Orchard – "...May the lines of purpose in our lives never grow slack, tightly tied to our future in heaven, kept taut by HOPE..." (from Colossians 1: 5, The Message).

God Bless you all,

Don and Angelina Boots
